GATHER TO PLEDGE U.S. FULL SUPPORT

Freeman's War," Says Coompers at Minneapolis Meeting Called to Crush Pacifists.

MINNEAFOLIS, MINE Sept. 5is American Allieure for Labor and Demonster, ergaffined to counteract the activities of pacifiets and pro-German propagandists and to bring the nation's labor forces up solidly withd the Government in its proceution of the war, opened a three-

day legalty conference here to-day. P. O. Mall. President of the State Pederation of Labor, called the meeting to order and Frank P. Walsh. airman of the United States Commission on Industrial Relations, acted as temporary Chairman.

After the appointment of a Committee on Permanent Organization the delegates planned to recess until late in the day and then receive the

committee's report.

Samuel Gompers, President of the American Federation of Labor, outlined the purpose of the organisation as the assembling for the support of the Government of "all the moral and material power of the working class of the nation.

"It shall be our task." he said. "to interpret America's democratic apirit and purpose in this conflict to our fellow workers, especially those of foreign birth, and to combat every form of propaganda, no matter by whom it may be carried on, which tends to weaken the loyalty and decotion of the masses and their willingnes to strive and sacrifice for the nation and its high purpose."

The declaration of principles as announced by Mr. Compers is, in part, as follows:

"As believers in the great and holding its proposed national peace splendid vision of democracy and inconference in Minnesota. The moternationalism, the fraternalism and lives of its leaders were sharply quessolidarity of all peoples, we assert at our determination to do all that lies in our power to win the war in which it is engaged.
